LEGACY CHRISTIAN ACADEMY

DEAR LEGACY COMMUNITY,

Welcome to the 2024-25 school year! God has a perfect plan for your family at Legacy this year, and I look forward to seeing it unfold.

As Legacy follows God's lead into the fourth year of our five-year Courageous Faith Strategic Plan, God continues to show his faithfulness to Legacy.

We are Legacy, committed to remaining grounded on God's truth and in our mission to equip the mind and disciple the heart of each student for Christ-like living.

Some of our Strategic Plan Initiatives for 2024-25:

Open the high school classrooms and middle and high school engineering lab in the New Academic Building

Enhance elementary student learning experiences through the larger and newly remodeled elementary classrooms and academic intervention center

Pilot teacher biblical worldview formation professional development tracks while further integrating Legacy's discipleship model in the classroom and student experiences

Add 12 new middle school electives and strengthen the 5-8 math curriculum and student experiences

Solidify and refine the newly established roles of the K-8 Reading Intervention Specialist and our onsite Anoka County Sheriff's Office Deputy

Complete Association Christian Schools International accreditation self study, visit, and reaccreditation

I look forward to the life transformation and growth that will happen this year in our 890 students.

Thanks for partnering with us,

Jake Mulvihill, Head of School
