LEGACY
CHRISTIAN ACADEMY

Dear Legacy Families,

The vision of the Legacy Business Directory is very simple and twofold: to provide a trustworthy resource for our families and support our Legacy family businesses.

These aren't just any businesses—they are businesses that share our Christian values of excellence, honesty, and integrity.

When you choose to support a Legacy business, you are choosing a trusted partner who believes in the mission of Legacy Christian Academy and the importance of investing in our children's future.

This year, let's consider our Legacy businesses first for our needs, because each time we choose to support a fellow Legacy business, we strengthen the very community that surrounds our families and our school. By supporting each other, we help build a community of faith and excellence that benefits all of us, a place where we raise our families, support each other, and see our shared values in action.

Thank you for supporting our families and Legacy business community. To our business sponsors and owners, thank you. Your support means the world to our students, our school, and each of our Legacy families.

Thank you for making a difference!

With gratitude and excitement for all that we'll accomplish together,

DENNIS ZWIRCHITZ
Advancement Director
Legacy Christian Academy

You're in Good Company

Because of our **Business Sponsorship Packages**, Legacy receives incredible support from large and small Legacy-family owned and local businesses.

Businesses partner with Legacy to elevate, expand, and enhance student experiences beyond what tuition alone can provide while also enhancing their business' online presence, local visibility and brand awareness within our loyal community.

We are so grateful to our 2024 and 2025 Business Sponsors.
